Yesterday the SJVWIA, it's project partners and lots of the project supporters held a press conference at the Fresno County Farm Bureau to announce the submittal of State "Water Storage Investment Program" application for funding to build the Temperance Flat Dam. Later that day we received official word that our application was successfully submitted for an amount just over \$1.33 billion dollars.

Below you will find links to the various news coverage of the event. Along with an Op Ed from Assembly Member Joaquin Arambula.
