Register [HERE*](#)

Join us to learn more about what is going on with your groundwater. The Delta-Mendota Subbasin's 23 Groundwater Sustainability Agencies (GSAs) are adopting a new, single Groundwater Sustainability Plan (GSP). During this 45-minute briefing, the authors will review the plan highlights, the updates made following the public comment period, and next steps for GSP adoption and implementation.

The Delta Mendota GSAs value the public's support in achieving groundwater sustainability and look forward to keeping you up to date.

Spanish translation services will be available.
